procedures?

?

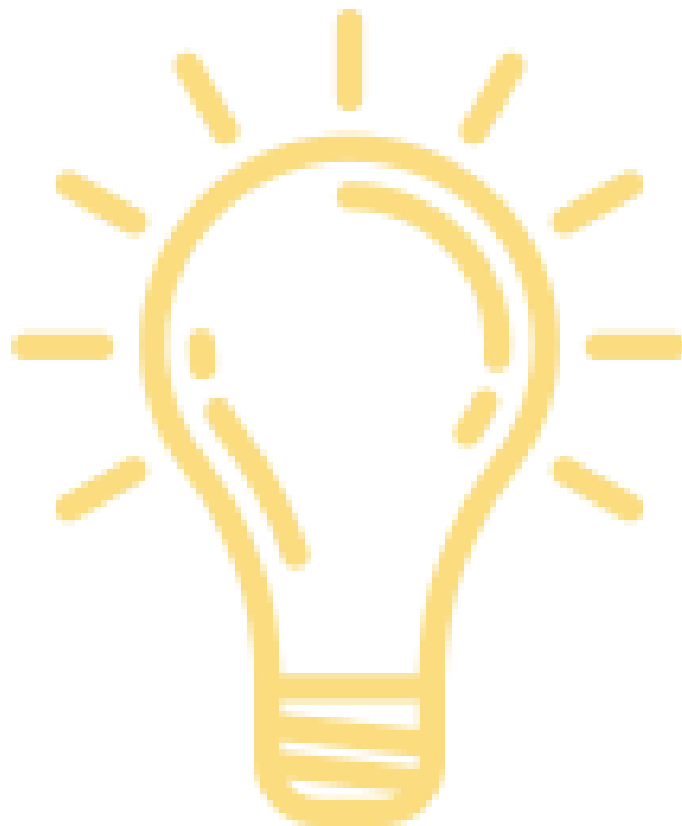

INTERACTIVE PART

1) Share your **experience** with international cooperation in Erasmus+ or your **plans** for future participation in the programme. How will you **contribute to** or **benefit** from the proposed actions?

2) Discuss the **needs** of organisations and individuals involved in international cooperation in Erasmus+. To what extent do the proposed actions for the future international dimension seem to meet the needs? Are we offering something that is attractive? User friendly? Inclusive?

3) Identify specific **challenges/obstacles** that concerns you and suggest **mitigating measures** that could be useful to consider.

TIME TO WRAP-UP!

THANK YOU FOR YOUR PARTICIPATION!!!
