HOW IT IS TODAY

The image displays a screenshot of the Erasmus+ Applications web portal. At the top, there is a navigation bar with the European Commission logo and the text "Erasmus+ Applications". The user is logged in as "Evan WOODS (Evan.WOODS@ec.europa.eu)". A sidebar on the left contains a menu with items: Context, Applicant Organisation, Mobility Activities, Annexes, Checklist, Guidelines, Notifications, and Sharing. The main content area shows the "Erasmus+ Mobility tool" interface for a specific project: "Project 2018-1-IE01-KA102-038637" (submitted) under "NA Validation" (open). The project details are organized into several sections: "Context information" (Programme: Erasmus+, Key Action: KA1 - Learning Mobility of Individuals, Action Type: KA102 - VET learner and staff mobility, Call Year: 2018, Round: 1, Start of Project: 01/09/2018, End of Project: 31/08/2019, Project Duration (months): 12), "Project information" (Grant Agreement No.: 2018-1-IE01-KA102-038637, Applying on behalf of a consortium?: , National ID: [blank], Project Title: Getting International Experience abroad in Hair/Beauty/Childcare/Tourism, Project Acronym: [blank], Project Status: Submitted, Final Report Submission Deadline: 30/10/2019, Check Status: OPN), and "Project Access" (User's role in project: Admin, Access to Project: Edit Access to Project, Project is locked:). A "History information" section shows the project was created on 26/06/2018 11:46:10 by National Agency and updated on 09/12/2019 12:26:54 by System User. The sidebar on the left includes a search bar for organisations and a list of "Organisation registration" instructions.

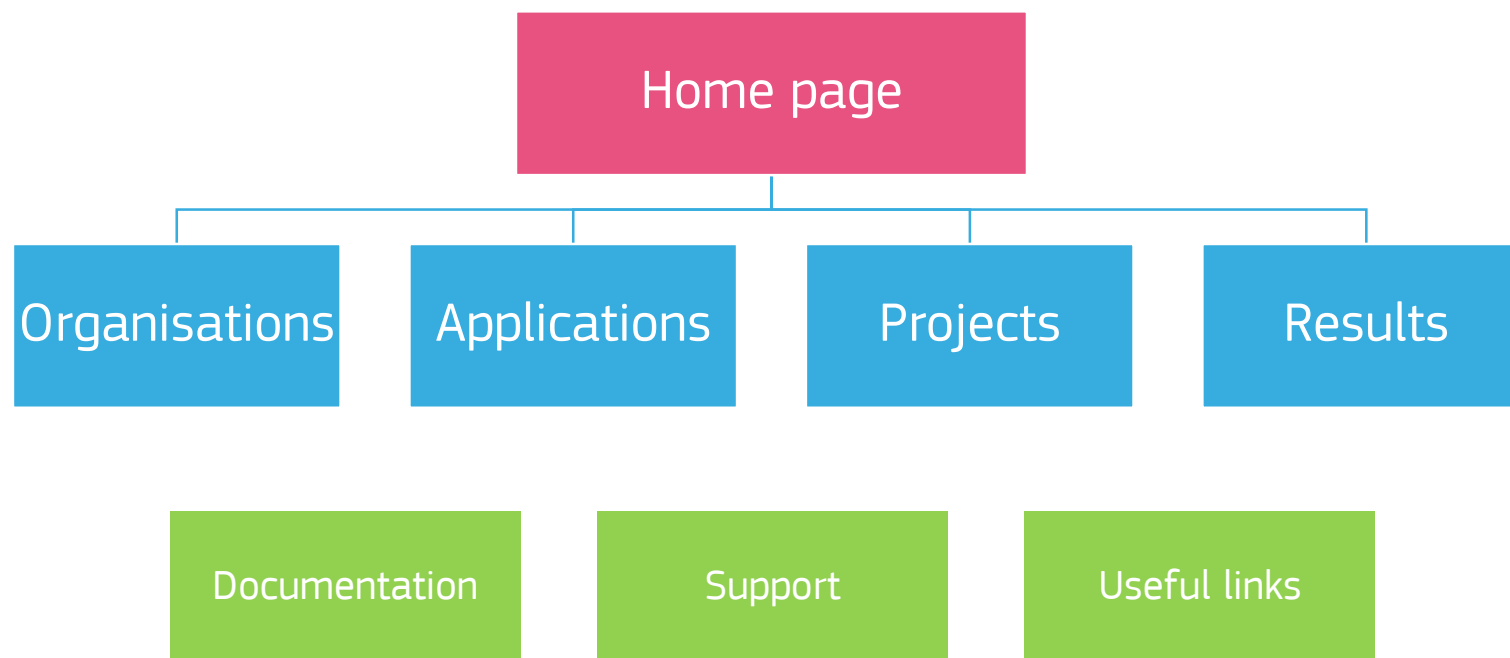

HOW IT IS TODAY

- Different IT systems, different names, different web addresses
- You need browser bookmarks to access them
- Each IT system has its own look and feel
- No overview of all your involvement in the programmes

WHAT WE ARE PLANNING

- Single entry point for users – one web address
- Centralises access to all IT systems, modules and services
- Shows relevant information based on your role
- Common web design and user interface (look and feel) to provide you with a linear and seamless experience
